

21st Century Skills Teacher Training*

3-day hands-on training for new Ford PAS programs

April 20-21, May 18
Sinclair Community College
Dayton, Ohio

Here's what one former student had to say about the Ford PAS Ohio teacher training experience:

"I don't think I would change a thing... The class had me totally engaged and eager to learn more. I have new ideas after this class and think I can get my students motivated."
